Professional Summary

Innovative Engineer specializing in Embedded Systems and Cybersecurity. Published IEEE researcher with 24+ technical projects ranging from Nanosatellite EPS design to Enterprise-grade SIEM/SOC operations. Certified in Industrial Automation (PLC/SCADA) and Digital Engineering.

Education

- **B.E. Electronics & Communication**
  JSS Science & Technology University
  CGPA: 3.5/4.0 | 2022–2026
- **Pre-University Course (PCMB)**
  SBRR Mahajana PU College
  Percentage: 89% | 2022

Technical Competencies

- **Languages:** C/C++, Python, Java, MATLAB, Bash, HTML/CSS/JS.
- **Embedded:** STM32, ARM Cortex, Arduino, ESP32-CAM, IoT Protocols.
- **Automation:** Siemens PLC, Rockwell SCADA, Industrial IoT.
- **Security:** Wazuh SIEM, GNS3, Wireshark, Threat Hunting, Cisco Networking.

Certs & Research

- **IEEE Research Paper** (2024)
  ID: 10895461 (Xplore)
- **Cyber Security Cert** (2025)
- **NASSCOM Digital Eng.** (2024)
- **Siemens PLC Certified** (2023)
- **Rockwell SCADA Cert** (2023)
- **IIT Bombay IoT Cert** (2022)
- **Hardware Club Associate**

Key Featured Projects

- **Nanosatellite Power System (EPS)**
  Designed high-reliability power regulation for aerospace applications.
  View Project Details
- **SOC Operations & SIEM Implementation**
  Configured Wazuh SIEM for real-time enterprise monitoring and threat detection.
  SIEM Ops | Threat Hunting
- **Smart Traffic & Surveillance**
  Density-based Arduino control and ESP32-CAM real-time monitoring.
  Traffic | Monitoring

Extended Portfolio (24+ Repositories)

Cybersecurity & Networking

- Enterprise GNS3 Security | Red Teaming
- AI Cyber Threat Intel | Knowledge Frameworks
- Cisco Lab Design | Bash Automation
- Windows Batch Scripting | PCAP Hunting

Software & AI Development

- SVD Recommendation Engine | Python Logic Lab
- Ad-Monetization System | AI Smart Attendance
- Chaos-Enhanced Cipher

Web, Games & Apps

- 2-Player Battleground | Custom Flappy Bird
- Web Workout App | 2-Player Mini Games
- Online Portfolio V1 | Movie Platform Home

Languages

- **English** (Proficient), **Hindi** (Native), **Kannada** (Native)
